This list represents over 1,000 of the most requested songs at all types of events. Choose as many or as few as you like. If you don't see the song you are looking for, please ask us. Any additional requests are subject to availability.

I want the DJ to play only the songs requested on this list regardless of whether or not people dance.

I want the DJ to use professional judgement and play those selections he/she feels will enhance the party.
