

# Professional Disc Jockeys

All DJ America Entertainers are capable of a wide variety of performances from "Classy & Fun" to "Energetic & Active". Each Entertainer is trained to get your guests involved with a combination of interactive techniques and an extensive knowledge of music.

DJ America's experienced and friendly staff will carefully assist you in planning your event. We will make sure that all of our services are coordinated with your banquet staff, photographer and everyone else involved to ensure that your entire event will run smoothly. All you have to do is have a great time!

You may design your own music mix, or allow us to assist you in the selection from our vast library of over 50,000 titles. From the traditional to the contemporary, we can help select a format that all ages will enjoy.

## *What You Will Receive With Your DJ America Service:*

- **Professional DJ/MC**  
All of our DJs maintain the highest standards of professional & courteous conduct. Additionally, all are highly experienced and trained both behind the mixer and the microphone.
- **Complete Event Coordination**  
As Masters of Ceremony, we will make sure your event runs smoothly and guarantee everyone is well informed. We will act as coordinators, making sure the guests, the photographer, the caterer and everyone involved are aware of the events to follow.
- **Online Planning**  
For events such as wedding receptions which require detailed planning, DJ America's interactive website can help you organize your itinerary so your event may flow smoothly. Visit [www.djamerica.com](http://www.djamerica.com).
- **Introductions, Announcements, Dances & Traditions**  
Your Entertainer will make all requested introductions and announcements. For wedding receptions this may include the Bridal Party Introductions, toast, cake cutting, bouquet & garter toss, special dances and all other traditions.
- **Your Own Custom Music Mix**  
All music played during your event is based upon your preferences. Prior to your event, you may let us know exactly what songs should and should not be played.
